

NSF International

Recognises that

HORNE Engineering Ltd

Has had the following products certified as complying with:

The Department of Health (DH) Health Technical Memorandum 04-01: Supplement

Performance specification D 08: thermostatic mixing valves (healthcare premises) and all applicable requirements.

Horne Optitherm, Type TBT02 Thermostatic Bib Tap (DN15)

Products appearing in the NSF official listing for the TMV3 Scheme are authorised to bear the NSF Mark below.

A handwritten signature in black ink, appearing to be 'P. B. [unclear]', written over a horizontal line.

Certificate: NSF1903/1017

Issue Date: 15th November 2017

Expiry Date: 12th October 2022

This certificate is the property of NSF International and must be returned upon request. This certificate remains valid as long as this client has products in the listing for the referenced standard. For the most current and complete listing information, please access NSF's website (www.nsf.org).
